Dear Mr. Pais:

Thank you for your in-kind donation of 100 surgical masks on April 21st. Your gift provides immediate assistance during this health crisis, and your legacy of generosity will remain long after we win this fight against COVID-19.

For more than 35 years, generous individuals, businesses and organizations have partnered with the University Health System Foundation to fund innovative medical advancements, visionary programs and essential services that help bring lifelines of healing to every corner of our region. Through your generosity, we can continue to be a lifeline of healing and hope for San Antonio, Bexar County, and South Texas.

On behalf of the patients we serve, the healthcare workers who make the miracles happen, and all those who feel the impact of your gift, please accept our sincere appreciation for your generosity.

Sincerely,

Leni Kirkman
